- Discord server & Notion Page
- Designing proficiency

LANGUAGE

- English
- Malayalam

ABOUT ME

I'm an IT student passionate about minimal design, clean interfaces, and building small but meaningful digital tools. Whether I'm coding, designing in Figma, or organizing workflows on Notion, I love turning simple ideas into polished, aesthetic digital experiences that help teams and communities work better.

EXPERIENCE

GOVT. ENGINEERING COLLEGE, PALAKKAD

POSTER LEAD

2025

INVENTO | Documentation Team, Flagship College Event
